CAN'T FIND WHAT YOU ARE LOOKING FOR

We've curated an extensive selection of tiles in our brochure, but we know that sometimes, you need something extra special. If you can't find the perfect tile for your project, don't worry! Our team is here to help. Whether you're after a specific style, colour, or finish, reach out to us, and we'll do our best to find exactly what you need. We're committed to making your design vision a reality, and we're just a call or email away.

LIKE WHAT YOU SEE?

We always recommend choosing samples to try at home. Our samples give an accurate representation of the tiles' color, texture, and overall aesthetic. By having physical samples on hand, you can evaluate how the tiles will complement existing decor and lighting in the space, helping you choose the perfect tile!

Samples are available to order at appletonbrooks.com. Add samples to your basket by opening a product page and selecting 'order sample.'
